ABOUT US

SWISS AI CENTER

Five HES from the HES-SO (HEIG-VD, HEIA-FR, HE-Arc, HEVS and HEPIA) work on a project called Centre Suisse d'Intelligence Artificiel à destination des PME (CSIA-PME), also known as the Swiss AI Center.

The Swiss AI Center's mission is to **accelerate the adoption of artificial intelligence in the digital transition of Swiss SMEs.**

HEIG-VD is responsible for setting up tools to manage ML experiments from code to production.
